

# Kev Fox, A Picture

Over worked and underpaid  
The spirit of the underclass  
We'll never be the same  
No we'll never be the same

Take some time and think aloit  
Don't make the best of what you've got  
You will be never the same  
No you'll never be the same

You'll be story  
Bud don't be  
You keep turning  
And I'll keep walking away

Over worked and underpaid  
The spirit of the underclass  
We'll never be the same  
No we'll never be the same

Take some time and think aloit  
Don't make the best of what you've got
