

Kevin Ayers, Champagne Cowboy Blues

Champagne Cowboy Blues.
By Kevin Ayers.

Champagne, Getting high again,
Makes me think of you,
Sunshine and this crazy wine,
There is loving too,
I don't care how or why.

One thing that I think I've learned,
Loving must be free,
So much energy is burned in pointless jealousy,
I just want to sing for you,
Yes I do.

Champagne, Getting high again,
Makes me think of you,
Sunshine and this crazy wine,
There is loving too, somewhere,
I don't care how or why.
As long as I'm high, champagne, yeah.

Good-bye old horse,
Thank you for the use of your body,
Hope you had a good time,
You got a bit of use out of mine,
Good-bye old horse.
