

Kevin Ayers, Girl On A Swing

She's got a feeling for the Spring
I've got another song to sing

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing

She's not a victim of despair
She's just a feeling in the air

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing

She sways, silently she sings
Her song gives my body wings

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing
