Kevin Ayers, Girl On A Swing

She's got a feeling for the Spring I've got another song to sing

Girl on a swing Girl on a swing Girl on a swing, On a swing Such a pretty thing

She's not a victim of despair She's just a feeling in the air

Girl on a swing Girl on a swing Girl on a swing, On a swing Such a pretty thing

She sways, silently she sings Her song gives my body wings

Girl on a swing Girl on a swing Girl on a swing, On a swing Such a pretty thing
