

# Kevin Ayers, That's What You Get Babe

Dead words scattered round the room like dust  
Daggers and knives that have started to rust  
One more battle fought in the name of love.

Tears and blood splattered over the wall  
Broken bits and pieces up and down the hall  
Take 'em up to bed,  
And stick 'em all together again.

That's what you get for following dreams  
Never turn out how they should it seems  
That what you get for losing yourself  
That's what you get, babe.  
That's what you get, babe.  
That's what you get, babe.

A bottle of wine, dinner for two  
You know me better, I'm learning 'bout you  
Two blue candles burn with the flame of love

. one day soon will come a shake up time  
But, baby tonight, loving you feels fine;  
I hold yours, and you hold mine, it's warm again.

That's what you get for loving this way;  
Say it loud when there's something to say;  
That's what you get for taking a chance  
That's what you get, babe.

You give your heart away  
And most of your time  
Sign away your freedom  
On some dotted line  
Stick to the rules,  
You're guaranteed peace of mind, babe....

Believe it, or leave it,  
You do as you please.  
There's no such thing as guarantees  
Life doesn't hold any certainties except dying.. .
