## Kevin Devine, Write Your Story Now

i'm running out of things to say to you this always takes so long is what you said before you said so long this kind of wordplay gets you ostrasized but if you operate inside these perfect lines you'll be fine i'm running out faster than i ever had before i'm seeing double and everywhere i turn my head things look like you again so get your notebook out and write your story now write your story now write your story now -instrumental-
