

# Kevin Johansen, Funny Face

You're always lookin' at me like I'm crazy  
Like I'm out of place  
Givin' me that stare you give me  
With me your funny face

I used to feel a bit intimidated  
But now I'm okay  
I just go on and mind my own business  
And watch your funny face

I wanna, I wanna, I wanna party  
I wanna party with you  
I think a, I guess a, I suppose a party  
Would be the best thing to do with you  
Yeah, with a you, with a you, with a you  
With a you, with a you Funny Face!

I'll dip my toes in boiling gravy  
And then I'll lick 'em clean  
I'll threaten you with joinin' the Navy  
To watch you make a scene, you see

Siempre me estás mirando como a un loco  
Como un Guachupey  
Dándome ese look que me das  
Con tu Funny Face...
