

Kevin Johansen, Heat Of The Moment

I didn't know what I was thinking
I didn't know what I was doing
All I know is that I found myself
(Dancing) with you'

Call it the heat of the moment
Call it the moment of truth
All I know is that I found myself
with you'

'Cause when you let yourself go
Where do you go
When you let yourself go..?

I think our hips touched each other
Before our eyes actually met
All I know is that now I have no regrets
All I know is that now I have no regrets'

When you let yourself go
Where do you go
When you let yourself go
Where do you go..?

I didn't know what I was thinking
I didn't know what I was doing
All I know is that I found myself
With you
