

Kevin Johansen, Road Movie

Anduve por el Norte, anduve por el Sur
Como autogeografa' y en un eterno tour
V que no es solamente cuesti´n de latitud

On our, on our way to Bratislava
Coming back from Valderrama
Porque vaya a donde vaya
And regardless of the java
Someone always brings some ganja
And it doesnt matter cuanta

Ive been alone in summer
Ive been alone in spring
Regardless of the season
Whatever it would bring
It never really mattered
For I never stopped to sing
