

Kevin Lyttle, Dancing Like Making Love

yeah yeah yeah yeah yeah yeah come on repeat4x

verse1:

you look at me and telling me i'm turning your temperture up
and you keep touching me in places that you know you should not
you keep on raking on my back and kissing me on my neck
keep on doing that girl, and I hope you don't regret

chorus:

cause you keep dancing like were making love (inside of the party)
you keep wining like were making love (all over my body)
you keep dancing like were making love (inside of the party)
you keep jamming like were making love

girl making love making love, yeah come on

verse2:

your taking my hand and pointing me in places I wanna get
I hope you remember girl that we have just met
you keep looking at your tat and got me in a fit
your arousing me girl, any way from you I gotta get it

(chorus)

oh oh oh making love oh oh oh making love oh oh oh yeahhhhh

verse3:your looking for a one night stand, i hope you dont got a man

if your looking for a one night stand, look at the way your rubbing down my hand your lookign for a
your looking for a one night stand i can tell by the way you

(chorus)

oh oh oh oh oh oh
