

# Kevin Rudolf, No Way Out

Fuckers its settled  
All the train came trippin thru the station  
This mad hatter he was beaming at me  
You cool cat  
You think that you kno me  
Im not the same person that I used to be  
Your cards dealt your playing them wrong boy  
And theres a few things that you need to kno  
I took the elevator up to the top  
And I followed that rabbit all down the hole  
I told my self I belived it  
But who was I kiding  
Out of these eyes I could see it  
But its all a lie the end is near I can feel it  
Ya its comin around but know theres no doubt its settled  
And theres no no way out no way out  
Switch got me caught up in a twister  
Im skipping all down that yellow brick road  
I said to the tin man sorry cant help ya  
They ripped my heart out long time ago  
And now im feeling like the cowardly lion  
I wanna break out but im paralyzed  
The yellow bricks led me staright to the wizard  
He said its all your state of mind  
I told myself I believed it  
But who was I kidding  
Out of these eyes I could see it  
But its all a lie  
The end is near I can feel it  
Ya its comin around  
But now theres no doubt its setteled  
And theres no no way out  
And theres no no way out  
And theres no no way out  
And now theres no doubt its settled  
And theres no no way out  
No way out ya oh oh oh  
I told myself I believed it  
But who was I kidding  
Out of these eyse I could see it  
But its all a lie  
The end is near I can feel it  
Its comin around and now theres no doubt its settled  
Theres no no way out  
Now theres no way no way out [x3]
