

Kevin Rudolf, She Can Get It

(Chorus)

Yeah she dont stop
She working' it all about
She moves it around the clock
And she can get it, sh-sh-she can get it
dont quit, the way that she moves it
shes making me lose my grip
And she can get it, sh-sh-she can g-g-get it

She knows just what she likes
No matter what the price
She got me hurtin' bad,
perfect tan, working' out
Looks like a million cash, well
let me fill your glass
And there was money in the bed

(Chorus)

She puts in overtime
And on those slow grinds
She gets a hustle of lupatans, buckle up
But I got that attitude
She got the right moves
Lets put the working' baby, up
and down the avenue

(Chorus)

T-t-turn around and cut u in a blink of an eye
Yeah you know she always get what
she wants (HELL YEAH)
And yeah its so amazing how
shes putting me down
Is this love, is this love, is this love? (huh)

(Chorus x 2)

Yeah she dont stop (Ohhh)
Just dont stop (Ohhh)
G-g-g-g-get it
