

Keziah Jones, Beautiful Emilie

You got to talk to someone some day
Coz when the words are gone is too late

Communication with thee
Put the antenna there
I am a function of thee
I'm speaking laud and clear

Oh beautiful emilie
Oh beautiful emilie

I need an explanation
Right now
Some good communication
Somehow
I need a statement from thee
About an L shaped room
A space imaginary
Is an abandoned womb

Oh beautiful emilie
Oh beautiful emilie

I need an explanation
Right now
Some good communication
Somehow
Oh yea (fois 2)
An explanation for thee
'You made an angel cry'
I feel so close to you there's no me
I am a three times why?
Why? why?
Why?
Do ordinary people specialize?

Oh beautiful emilie
Oh beautiful emilie

I need an explanation
Right now
Some good communication
Somehow

Clariification of thee
Your love is so unfair
What is the function of thee
When all the songs're not fair

I need an explanation
Right now
Some good communication
Somehow
I need an explanation
