Keziah Jones, Never Gonna Let You Go

Never Gonna Let You Go ringtone on your mobile phone Never gonna let you go Ain't gonna let you go Never gonna let you go Ain't gonna let you go Till you clean up the sea The water you left in me Never gonna let you go Ain't gonna let you go You took a piece of history My own history You took a piece of history My own history Then you came like a tree You tried to put your roots in me Never gonna let you go Ain't gonna let you go You gotta make a sacrifice An ancient sacrifice You gotta make a sacrifice That everyone is a child of heaven No single one can rule over all Does an ancient law have a modern meaning? Does making love make or break the fall Of mankind? Just thought I'd let you know Cause everyone is a child of heaven No single one can rule over all Does an ancient law have a modern meaning? Does making love, making love Never gonna let you go Ain't gonna let you go Never gonna let you go Ain't gonna let you go Never gonna let you go Ain't gonna let you go Never gonna let you go Ain't gonna let you go
