

Khalid, Bluffin'

Take enough
Turn off the lights
We're so in denial
Of breaking up
We make it up
Every time
I look in your eyes
I'm back in love
I've waited all my life
For someone like you
But I'm losing sight
Of your point of view

Are we broken?
Lost in emotion
Are you all in?
Are you bluffin'?

Is this the last ride?
Stay here one last night
I know we're both tired
If that's our excuse

Are you all in?
Are you bluffin'?
Are you? hmm...

It's no one's fault
That's what they say
You want it your way
You know it all
We say it's no one's fault
Losin' our minds
Lie after lie
Fakin' love
We had a hell of a ride
Issues aside
Both of us

Are we broken?
Lost in emotion
Are you all in?
Are you bluffin'?

Is this the last ride?
Stay here one last night
I know we're both tired
If that's our excuse

Are you all in?
Are you bluffin'?
Are you? hmm...

Ooh, are you?
