

Khalid & Disclosure, Talk

Can't we just talk? /2x
Talk about where we're goin'
Before we get lost, let me out first
Can't get what we want without knowin'
I've never felt like this before
I apologize if I'm movin' too far
can't we just talk? /2x
figure out where we're goin'

started off right
I can see it in your eyes
I can tell that you're wanting more
what's neen on your mind
there's no reason we should hide
tell me something I ain;t heard before

I've been dreaming about it
and it's you I;m on
so stop thinking about it

Can't we just talk? /2x

penthouse view
left some flowers in the room
I'll make sure I leave the door unlocked

I'll be there by 5 o'clock

I've been dreaming about it
and it's you I;m on
so stop thinking about it
