Khalid, Eleven

got my headlights off we're sitting outside if you cry in my car then we're here all night a couple blunts rolled and I got my windows down said: it's been a while since you been this high

if you're waitin' on love then you waitin' for a while if the neightbors wake up then we gotta turn it down so you say I am the type you like keepin' around you like keepin' around

late at night, eleven, we're cursing lately I've been watchin' your movements if I am the favorite drug you've been usin? late at night, eleven, we're cursing lately I've been watchin' your movements if I am the only one that you're choosin' am I your favorite drug you've been usin'?

21, sittin' on my M5 ride around summer all wheel drive couple blunts in and I got my windows down lookin' real nice in my passenger side

if you're waitin' on love then you waitin' for a while if the neighbors wake up then we gotta turn it down so you say I'm the type you like keepin' around you like keepin' around

late at night, eleven, we're cursing lately I've been watchin' your movements if I am the favorite drug you've been usin? late at night, eleven, we're cursing lately I've been watchin' your movements if I am the only one that you're choosin' am I your favorite drug you've been usin'?
