

# Khalid, Hopeless

Spend my time worrying of broken promises  
Focused on the smell of all the burnt out cigarettes  
My thoughts play on repeat  
Only comfort that I keep  
'Cause in a moment I will be  
Something you will forget

Hopeless, hopelessly romantic  
You, you got me stranded  
Ooh, I'm blue, blue, blue

Now tell me was I ever something that you could regret  
I know I wasn't the one for you  
But at least I tried my best  
Surrounded by questions like, "Why'd you two part ways?"  
But if my memory's right  
You're the one that left

I'll be hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blue, blue, blue

Used to lift me higher  
But I guess our time's expired  
I'm giving you the match  
Set our love on fire

Hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blue, blue, blue

Now tell me was I ever something that you could regret  
I know I wasn't the one for you  
But at least I tried my best  
Surrounded by questions like, "Why'd you two part ways?"  
But if my memory's right  
You're the one that left

I'll be hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blue, blue, blue  
Ooh yeah, I'm blue, blue, blue, oh  
Yeah, I'm blue, blue, blue
