

# Khalid & Normani, Love Lies

sorry if it's hard to catch my vibe  
I need a lover to rest  
tell me you're on my side  
and you down or the ride?  
it's not easy for someone to catch my eye  
but I've been waiting  
for you for my whole damn life  
for my whole lifetime

don't be afraid to tell me  
if you ain't with it  
I see you're focused  
you're so independent  
it's hard for me to open up  
I'll admit it  
you've got some shit to say and I'm here to listen

so baby  
tell me where your love lies  
waste the day and spend to night  
underneath the sunrise  
show me where your loves lies

I've been so into your mystery  
is it because of our history  
are you into me  
when it feels so good  
but it's bad for you  
can't say I don't want it cause I know I do  
come on over  
I need your company  
craving that synergy

don't be afraid to tell me  
if you ain't with it  
I see you're focused  
you're so independent  
it's hard for me to open up  
I'll admit it  
you've got some shit to say and I'm here to listen

so baby  
tell me where your love lies  
waste the day and spend to night  
underneath the sunrise  
show me where your loves lies
