Khalid, Saturday Nights

Saturday nights, blueberry cigarillos Swishers make my throat hurt Rolling OCB's on the side for me Light 'em up and let 'em both burn Family feuds, say your mom's confused Off of shit she doesn't wanna learn But daddy's gone, say he's never home And wishing only makes it worse

I guess there's certain dreams that you gotta keep 'Cause they'll only know what you let 'em see

All the things that I know That your parents don't They don't care like I do Nowhere like I do And all the things that I know That your parents don't They don't care like I do Nowhere like I do Nowhere like I do Nowhere like I do

Saturday nights, light gray Silverado You drive it 'cause you have to Stay up working late at a job you hate Fix your makeup in a dirty bathroom No more love, in and out of clubs Knowing what you gotta do You've got plans wrapped in rubber bands And that's the only thing you'll never lose

I guess there's certain dreams that you gotta keep 'Cause they'll only know what you let 'em see

All the things that I know That your parents don't They don't care like I do Nowhere like I do And all the things that I know That your parents don't They don't care like I do Nowhere like I do Nowhere like I do

'Cause I care, I care about you There's nowhere I'd rather be Than right here around you I care, care about you There's nowhere I'd rather be

All the things that I know That your parents don't They don't care about you Nowhere like I do All the things that I know That your parents don't Don't care about you Nowhere like I Nowhere like I do (Do, do, do) Nowhere like I do (Do, do, do) Nowhere like I do (Do, do, do) Nowhere like I do (Do, do, do)
