I don't care, I don't care if you mad at me  
If you look into my eyes, shawty you can see  
I don't care, I don't care if you mad at me  
You can look into my eyes, shawty you can see

I don't care if you mad at me  
I'm just busy gettin' money  
You can versify me, cry all night, bae  
Till it gets sunny, still gettin' money  
Still gettin' money, still gettin' money  
Still gettin' money, all I do is stunt  
I can go my way, you can go yours  
I be likin' my way cause I'm pickin' you up in a Porsche  
I'm puttin' one in your thoughts  
So come with me, know you can see  
There's nothing a young'n ain't done  
Nah, will it be heatin' when you're mad at me?  
Cause I ain't did shit to no-one  
Nah

I don't care, I don't care if you mad at me  
If you look into my eyes, shawty you can see  
I don't care, I don't care if you mad at me  
You can look into my eyes, shawty you can see
