

Khanate, Fields

this is for you
a new beginning
put you under
an open field
vast expanding
it's expanding
the center of reason/the center is reason
you don't have to think
no worries
i'll do this for you
just tell me what its like
you're in between
see what i don't
tell me, tell me
can you hear the past?
you're on both sides
are you welcomed, embraced or torn apart?
tell me, tell me what it's like...

mother father ghost?
almost there - almost here
is there light?
tell me, tell me, tell me
i did this for you

ancestors strangers?
are they here?
come back
tell me, i'll follow

mother father ghost?

is there hope?

say something

i did this for you
for us
