

# Khemmis, In The Pines

My love, my love, don't lie to me  
Tell me, where did you sleep last night?  
In the pines, in the pines  
Where the sun never shines  
I shivered the whole night through

My love, my love, why did you go  
Out there, where the cold wind blows?  
In the pines, in the pines  
Where the sun never shines  
To shiver the whole night through

My love, my love, please come for me  
Take me where the cold wind blows  
To the pines, to the pines  
Where the sun never shines  
We'll shiver the whole night through
