You put your trust in a nigga  
Stupid hoe, how you figure

They all dawgs thats what they do uh.  
Till you put a stop to the shit they pullin  
Get your own shit, thats what you do and  
dont worry bout him or his jewels man  
you make him sweat dubs on your shit as  
you ride by music high as hell too  
he's watching you while lustin with his bitch you  
smile at him, nod at him, keep ri-ding  
you see him later cuz he wanna stop by when  
he sees you off tha chain lookin good too  
you even got his bitch wanna freak you

chorus

now when he comes open up  
let him freak you  
do all tha things, freaky thangs his bitch can't do  
from tha back to tha side juss ri-ding

I gives a fuck bout what you might have to say  
Cuz you see I'm a queen in the end tho
