

Khoiba, Sonic Parts

How i get rid of this sound
Like sun is dripping down on the ground
Now i know
I'll take a pin
To find out what you hide
Under your skin

To find in you
What you hide
'Cause sometimes you heart is small and time to time's wide
But you may say: It's up to me!
No, there is something deeper
They'll never see

I'm saying to you
Don't be so hot
'Cause when you're in me
You burn me out

How i get rid of this feeling
Like sun is dripping down like glowing steel
You may say: It's up to me
No, there is something deeper
They'll never see

I'm saying to you
Don't be so hot
'Cause when you're in me
You burn me out
