

# Ki Ki Dee, I Got The Music In Me

Ain't got no troubles in my life  
No foolish dream to make me cry.  
I'm never frightened or worried,  
I know I'll always get by.  
I heat up (I heat up)  
I cool down (I cool down)  
When something gets in my way I go round it.  
Don't let life get me down  
Gonna take life the way that I found it.

## CHORUS

I got the music in me  
I got the music in me  
I got the music in me  
I got the music in me  
I got the music in me  
I got the music in me

They say that life is a circle (circle)  
But that ain't the way that I've found it.  
Gonna move in a straight line (ooh)  
Keeping my feet firmly on the ground.  
I heat up (I heat up)  
I cool down (I cool down)  
I got words in my head so I say them.  
Don't let life get me down,  
Catch a hold of my blues and just play them.

## CHORUS

Feel funky  
Feel good  
Gonna tell ya  
I'm in the neighbourhood  
Gonna fly like a bird on the wing  
Hold on to your hat honey,  
Sing, sing, sing, sing  
Heat up, cool down (cool down)  
I got words in my head so I say them  
Don't let life get me down (Don't let it get ya down)  
Catch a hold of my blues and just play them.

## CHORUS x2

Ain't got no trouble in my life,  
No foolish dream to make me cry.  
I'm never frightened I'm never worried,  
I know, I know I'll always get by.

I got the music  
Pretty music  
I got the music  
In me

Don't let it get ya down  
Don't let it get ya down  
Don't let it get you down  
Don't let it get ya down  
Don't let it get ya down  
Don't let it get you down  
Ha, ha, ha, ha

## CHORUS

Don't let it get ya down  
Don't let it get ya down  
Don't let it get you down

I got the music in me  
I got the music in me  
I got the music in me  
Don't let it get ya down  
Don't let it get ya down  
Don't let it get you down

(Repeat to fade)
