

# Kicked In The Head, Cannonball

Every once in a while I feel like taking off  
Taking off and I'm never looking back  
Look myself in the eye  
Truth it forces me to testify  
Taking off and I'm never looking back  
Don't look back

These hard days I (?)  
To keep my flame lit within  
Work from the bottom, freed at the ends  
Gather the moment, (?) where I catch up with me  
Inside it's my design, why sit by?  
Waiting...Then I'll be empty  
Won't you come after me?

Waiting for that open door means I still pray

Is it what it feels like?  
Cannonball, fall, cannonball  
(4x)

Every once in a while I feel like taking off  
Taking off and I'm never looking back  
Life is such a surprise  
And I won't drown in these rough tides  
Taking off and I'm never looking back  
Don't sit by, waiting...  
Then I'll be empty  
Won't you come after me?

Waiting for that open door means I still pray

Is it what it feels like?  
Cannonball, fall, cannonball  
(3x)

Is it what it feels like?  
Cannon  
Fall down you (When I fall you)  
Fall down you (When I fall you)  
Fall down you  
Fall

Is it what it feels like?  
Cannonball, fall, cannonball  
(2x)

Fall  
Cannonball, fall, cannonball  
Is it what it feels like?  
Cannonball, fall, cannonball
