Kicked In The Head, S.F.U.

Shit's Fucked Up That's the way it goes One minute's kicking ass Then the next one really blows So at the moment when you think That everything really sucks Reality goes and tells you That your shit's fucked up Control yourself! Control your mind! Or else this world's gonna leave your ass behind

SHIT'S FUCKED UP! UH HUH! SHIT'S FUCKED UP! WHAT! SHIT'S FUCKED UP! OH YEAH! SHIT'S...FUCKED...UP

But you're never getting down No matter how many hits you take Gonna kick it live no matter How many mistakes you make Holding in perspective What's good and what's bad There's no sense in getting angry There's no sense in getting mad Control yourself! Control your mind! Or else this world's gonna leave your ass behind

SHIT'S FUCKED UP! UH HUH! SHIT'S FUCKED UP! WHAT! SHIT'S FUCKED UP! OH YEAH! SHIT'S...FUCKED...UP

When will I live? When will I die? And how will I keep control of my mind? This world that we live in Has got its ups and downs But I keep on moving' on And I never hit the...ground
