

# Kid Abelha, Someday

Are we lovers out of moon  
Are we singing out of tune  
If I'm not good enough for you  
Let this distance grow between us

I can't stay forever  
Ok  
We can get together  
Someday  
On the other side of the way

Could I take your hesitation  
Could I show you my regret  
Someone help me to forget  
This big egg inside my head

I can't say forever  
Ok  
Let's ride a wave together  
Someday  
On the other side...

What is...  
This thing...  
Called us
