

# Kid Cudi, Maui Wowie

(Chorus)

Going back to Honolulu  
Just to get that, that Maui Wowie, that Maui Wowie

Going back to Honolulu  
Just to get that, that Maui Wowie, that Maui Wowie

(And I'm so high) And I'm so high  
(And I'm so high) And I'm so high  
(And I'm so high) And I'm so high  
(And I'm so high) And I'm so high  
(Chorus)

Yeah, back up in the mix  
Aloha nigga, Cudi lookin' for a fix  
Got enough dough, just to take a trip  
To get a little pinch of the Maui Wowie  
Oh man, here we go again  
If you ever get a chance, smoke it with a friend  
Me and Pat on a mission to get  
Lifted like John Legend and shit

&lt;i&gt;  
Get Lifted  
Let's get Lifted  
&lt;/i&gt;

What you gon' cop  
Maybe a dub, maybe a zo  
No matter what you cop, you smoke it til it's gone  
Walkin' on the beach with the sand between your feet  
And all the Hawaiian girls sing to the beat  
'Hey, What it do boo?'  
'You smoke? Good.'  
'Yeah, me too'  
Livin' in paradise, all through the night  
Even in the day smoke til I can't see  
What can I say, nothin' like this in the world home-ay  
Make you feel great, you forget you in the states  
You might relocate, so you smoke all the Maui Wowie you could take  
Like

(Chorus)

Uh-uh

I know, I know, I know  
I really need to go, go, go, go, go, go  
Really need to go, go  
Really need to go, go, go  
Man, I need Maui Wowie  
I smoke that Maui Wowie  
I need Maui Wowie  
I smoke that Maui Wowie  
I know, I know, I know  
You really need to go, go  
You really need to go, go, go  
Man, I need Maui Wowie  
I smoke that Maui Wowie

(Fart sound, then laughter)
