

# Kid Cudi, The Prayer

Talking: Plain Pat what up?

My heart thump not from being nervous  
Sometimes I'm thinking God made me special here on purpose  
So all the while 'til I'm gone make my words important so  
If I slip away, if I die today the last thing you remember won't  
Be about some apple bottom jeans with the boots with the fur  
Baby how I dream of being free since my birth  
Cursed but the demons I confronted would disperse  
Have you ever heard of some shit so real  
Beyond from the heart, from the soul you can feel

And if I die before I wake, I pray the lord my soul to take  
But please don't cry, just know that I have made these songs for you  
And if I die before I wake I pray the lord my soul to take  
'Cuz I'm ready for the funeral

My mind runs I can never catch it even if I got a head start  
God please tell me I am feeling so alone way  
I don't need to worry 'cuz I know the world'll feel this nigga  
Blessing in disguise but I am not hiding who I am open your eyes bro  
If I ever met you, I appreciate the love yo  
Girls that I dated, it's ok I am not mad yo  
Unless you stabbed me in the heart, no love ho, this shit is so I'll  
Play it back from the top if you recognize real

And if I die before I wake, I pray the lord my soul to take  
But please don't cry, just know that I have made these songs for you  
And if I die before I wake, I pray the lord my soul to take  
'Cuz I'm ready for the funeral  
And if I die before I wake, I pray the lord my soul to take  
So please don't cry, just know that I have made these songs for you  
And if I die before I wake, I pray the lord my soul take  
'Cuz I'm ready for the funeral (I'm ready for the funeral, I'm ready for the funeral)
