

Kid Kapichi, I.N.V.U.

He's walking and he's talking
He's this and that he's got places to be
And you know he poses like Moses
As the people round him part like they're the sea

Fast car, alligator shoes
He's at the wheel while I'm trapped inside the boot
Cause he's the top dog, the big kaboose
I'm up at dawn whilst he's spamming on the snooze

I N V U
Is that what you want me to do
I N V U
Is that what I'm supposed to do

He rolls in with his roll neck and his Rolex
He's Mr MTV
He claims he's cashing cheques and breaking necks
Or that's what he'd have you believe

Fast Car, alligator shoes
He's at the wheel while I'm trapped inside the boot
Cause he's the top dog, the big Kaboose
I'm pouring pints whilst he's sipping gin and juice

I N V U
Is that what you want me to do
I N V U
Is that what I'm supposed to do

Fast Car, alligator shoes
There's no appeal when you've got nothing to lose
I'm not the top dog and that's the truth
Why would I try when I know I'm gonna lose

I N V U
Is that what you want me to do
I N V U
Is that what I'm supposed to do, to do, to-to-to do

I N V U
