

# Kid Koala, Scurvy

... 's the one thing I do on the ... stress upon you, and that is: play with records. Get your favorite records ... you feel good.

... Their fingers itched for their curious profession. They hungered to ply their wicked trade.

- ... you know, it's hard to -- we didn't have anything to record with, so I had to remember 'em all.

What were the main items that you used to make these sound effects?

- We used a rock, a stick, I used to kick my foot in a river to make a sound of a... a flushing noise, a

Do you know what that was?

- I think that is a... uh, an insane man pulling the hair out of a baboon's back.

No, that was a blender. I know you didn't have blenders, either, back in those days.

- No, no, we didn't, but we did drink.
