

Kid Rock, Never Quit

I'm gonna dig deeper, tote guns, and smoke reefer
You young punks and stunts, gonna make you all believers
You bottom feeders and social media sluts
I'm still the sultan of swing the king of don't give a fuck

Bamalam I don't give a damn
Uncle Sam I still love this land
Yes ma'am I know you like it hot
So lets rock

I'm gonna fight like G
They all gonna see
And if I die, I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone... I'll Never Quit
Nooo, I'll Never Quit

(Hey Hey), If your feeling funky say (Hey Hey)
If you love your country say (Hey Hey)
If you're makin' money say hey (Hey Hey)
If your smoking drugs (Hey Hey)
If your stoned in love (Hey Hey)
Praise God above, our father who art in heaven

I'm gonna fight like G
They all gonna see
And if I die, I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone... I'll Never Quit
Nooo, I'll Never Quit

I'm gonna fight like G
They all gonna see
if I die, I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone...

I'm gonna fight like G
They all gonna see
if I die, I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone...
I'll Never Quit
Nooo, I'll Never Quit
Tell everyone.... I'll Never Quit
Tell everyone.... I'll Never Quit
