

Kid Rock, Pimp Of The Nation

There's only two types of men
Pimps and john's
There's one type of bitch
That's a hoe
God damn hooker this is my world
God damn time to go
Where's my doe
Its startin to snow
All I want is the dollas
I've been a pimp so long ? gahndi had an afro
Pimp, hold my dick like a holster
Girls want a kid rock poster
And be able to both stay looked at
The number one pimp with the number one rap
What's up with that
Well I'm a cool cat
With the rap
That's harder than a pimp slap
And because I do so much pimpin
One day I'll probably walk with a limp
And drive a big lincoln
Wearing an unbuttoned shirt
And be a fifty five year old pervert
But for now rap's the occupation
But watch one day I'll be pimp of the nation

Hoes are rustlic
Daddy's in the house
We got hoes and hoes and hoes
Prices are low
We pratically given the coochie away
Shake the booty
Shake that booty
Its not a ? sell
Its a cake sell
God damn it

Pimp of the nation, I could be it
As a matter of a fact, I for see it
But only pimpin hoes with the big tush
While you be left pimpin barbra bush
What's up granny
First name annie
Dried up kunt and a saggin fanny
The highlight of your sex adventures
You wanna suck dicks take out your denchers
A show of life is all I'm givin
Old pimp young hoes is how I'm livin
But for now rap's the occupation
But watch one day I'll be pimp of the nation

I got all the hookers, God damn it
I got sensational sherry, juicy lucy, nasty nancy, and tammy toe jam
All of them ready, willing, and able to give the mack daddy the dollas
And all the coochie and kunts that's the sweet part
Hahahaha

I have hoes like horses in a stable
Rich, famous, willing, and able
First off ja ja kubore
Different gore
Is my highest paying whore
And for some hot booty waxin
Fake ass latoya jackson

Rosanne barr is my newest trick

While on the beach I prune her with my dick
And the bitch who f**ks with my cash
Robin gives I'll rip your ass
Yeah kid rock, kid rock
Don't f**k with me
I'll be pimp of the nation, bitch

One nation under a pimp
Gettin paid 'cause suckers is pussy whipped
One nation under a pimp
