

Kid Rock, So Hot

You got a body like the devil and you smell like sex
I can tell you're trouble but I'm still obsessed
Because you know you're
SO HOT I wanna get you alone
SO HOT I wanna get you stoned
SO HOT I dont wanna be your friend
I wanna f*ck you like I'm never gonna see you again
Yeaa
Come on
Yea
You're like the kiss of death, like the hand of faith
I can tell you're trouble but I still wanna taste
Because you know you're
SO HOT I wanna get you alone
SO HOT I wanna get you stoned
SO HOT I dont wanna be your friend
I wanna f*ck you like I'm never gonna see you again
Because you know you're
SO HOT I wanna get you alone
SO HOT I wanna get you stoned
SO HOT I dont wanna be your friend
I wanna f*ck you like I'm never gonna see you again
You're So Hot, I wanna get you alone
I wanna get you stoned
I dont wanna be your friend
I wanna f*ck you like I'm never gonna see you again
See you again
See you again
