

# Kid Vicious & D-wayne, Turn Your Lights On (ft. J

It's time to make a start  
To get to know your heart  
Time to show your face  
Time to take your place  
Where the streets are wide  
And the people thrive  
I've never seen such beauty  
I've never seen clear skies

Turn your lights on  
Show yourself  
Fire your engines  
Enlighten yourself  
Turn your lights on  
Like a flaming star  
The sky or the universe  
Is what you are

Turn your lights on  
Show yourself  
Fire your engines  
Enlighten yourself

It's time to make a start  
To get to know your heart  
Time to show your face  
Won't you shine a light?  
See my shadow on every wall  
Follow my reflections  
When your life is in free fall

Turn your lights on  
Show yourself  
Fire your engines  
Enlighten yourself  
Turn your lights on  
Like a flaming star  
The sky or the universe  
Is what you are
