

# Kieran Goss, Easy Way

Wish I had the money  
Instead of the time  
Wish I had the right words  
Instead of the rhyme

Wouldn't it be nice to have  
Something to show  
Wouldn't it be nice to have  
Somewhere to go  
Maybe if you find the time  
You'll show me the way  
Through the night

Wish I had the wisdom  
Instead of the years  
Wish I had the loving  
Without the tears

You're looking for an easy way  
There'll never be an easy way  
You're looking for an easy way  
Through the night

Wish I'd stop running  
And learn to walk  
Wish I could listen  
The way I can talk
