

Kieran Goss, New Day

There's nothing like the sound of laughter
There's nothing like a smile
And anything you see hereafter
Is it worth the while?
I know that you don't believe me
I know that you doubt
The stone that's in your heart will melt

There's nothing like the way you hold her
There's nothing like a home
And though you feel a little colder
You're not alone
I know that you don't believe me
I know that you doubt
The stone that's in your heart will melt
And watch the morning come

A new day will come
A new day will come for me and for you
A new day will come
I know cos I've been there before
I know just how it feel to lose
And for every closing door
There's another one to choose

There's nothing like the hand of kindness
There's nothing like a friend
And even though the world will blind us
It's there in the end
I know that you don't believe me
I know that you doubt
The stone that's in your heart will melt
And watch the morning come

There's nothing like the sound of laughter
There's nothing like a smile
And anything you see hereafter
Is it worth the while?
I know that you don't believe me
I know that you doubt
The stone that's in your heart will melt
Oh how your heart will melt
