

# Kieran Goss, Our Love Endures

Love can deceive  
Love can grow cold  
Sometimes love leaves you  
With no-one to hold  
Some lovers try  
But will not stay  
Some lovers turn to walk away

But me and you  
We made it through  
I found the one to come home to  
Here in this world  
Where nothing is sure  
Our love endures

You are my life  
You are my heart  
You give the seasons  
A reason to start  
Some lovers doubt  
Then go astray  
Some love just simply fades away

I know were not perfect at all  
Sometimes we fight  
Sometimes we fall  
Till you hold me in the night  
Telling me everythings alright
