

Kierra Kiki Sheard, All I Am

[Verse 1:]

All I am is a nobody
Telling somebody about you
What youve done for me
And how Im grateful,
That youre faithful and true
And you are protection
And direction for me
You purchased all my liberty

[Chorus:]

All I am, a heart for you
All I am, available
All I am, desperate for you
All I am, in love with you

[Verse 2:]

Thats why I sing, and raise my hands
Youre the king of all I am
And I pray that you would accept my worship
Cause I only live and breathe to praise you

[Chorus:]

All I am, a heart for you
All I am, available
All I am, desperate for you
All I am, in love with you
All I am
