

Kierra Kiki Sheard, Faith

[Verse 1:]

By faith

I can get to many places

Maybe even see many faces

I mean things that are unexpected

Because of my faith I may

Have to deal with a little bit of hate

And it may seem like there's no way

That's why I gotta have my faith

[Chorus: x2]

(Faith)

I gotta have

(Faith)

Can't make it without it

(Faith)

Where I wanna be I gotta have (ohh yeah)

(Faith)

[Verse 2:]

Now without faith

Things are impossible

Like me wanting to please him

I gotta forget about them

Those that don't like me where I am

Cause then I am in jam

Tryna make a decision

Should I listen or should I go

I don't know (Faith)

That's why I gotta have(faith)

I gotta have faith (whooaahh yeaah)

[Chorus:]

(Faith)

I gotta have

(Faith)

Can't make it without it(whooaaaahh)

(Faith)

[Bridge:]

Now faith is the substance of things hoped for

The evidence of things not seen

And this explains it all

Where I am now

I may not be pleased

So I'll have to seek him diligently

And my Word says

He will reward me(Can't make it without it)

So why not have

[Chorus:]

(Faith)

I gotta have faith (yeeaaaah)

(Faith)

When my family is sick (faith) and they can't get well

(Faith)

I gotta have faith (yeeeeaaaahh)

(Faith)

I gotta have faith

(Faith)

No matter what they give me or bring to my way

I gotta have faith (yeeeeeeaaaah)

(Faith)

I gotta have faith

(Faith)

It's the only thing that will pull me through

(yeeeeeeaaaahh)

[Fades off]
