

# Kierra Kiki Sheard, Praise Him

Praise Him now and praise Him again  
Praise Him everytime you get a chance  
He's the source of your favor  
And for that we thank Him even more  
Through reprimand  
Some I don't understand  
And I've never seen Your love forsake me  
Even when I don't deserve it  
Through ups and downs  
Through smiles and frowns  
But you never put more on me than I can bare  
That's why I praise you more and more  
Praise Him now and praise Him again  
Praise Him everytime you get a chance  
He's the source of your favor  
And for that we thank Him even more  
Praise Him now and praise Him again  
Praise Him everytime you get a chance  
He's the source of your favor  
And for that we thank You even more  
Praise Him now and praise Him again  
Praise Him everytime you get a chance  
He's the source of your favor  
And for that we thank You even more  
We thank You (for Your Deliverance)  
We thank You (for Your Mercy)  
We thank You (for Your Grace)  
We thank You (for Your Anointing)  
We thank You (I Love You!)  
We thank You (Yes I do!)  
We thank You even more!
