

# Kiesza, Bad Thing (feat. Joey Badass)

Tougher than the letter good  
I wanna say your last name  
Here we playing by the rules  
But you gon' change the whole game  
I don't wanna suit and shade that cool  
While until the love again  
Danger when you make me uuh  
But I think that's a good thing

Maybe that's a bad thing, bad thing /6x

I don't want to ever choose  
Keep it jumping like a trampoline  
No matter what you put me through  
You always make it worth it  
We go together me and you  
Three box and hoop change  
And after make me say I do  
And I think that's a good thing

Maybe that's a bad thing, bad thing /6x

[Joey Badass:]

But in conclusion, is the only time we losing  
We get deluded by these illusions, constant confusions  
And every movement, any time, that we do bad  
What could be a great debet  
Gets neglected, feel my solar plexus tryna get you back babe  
Tell me where it's at, where it's at, at, at  
Gotta pack of that yack, yack, yack  
That'll probably snap that back  
Hit the cat till it's cataracts  
But you like the sound of that  
Now bring it back, we the perfect match to start a culture, might start it happen  
Don't get too attached, cause I adapt to change quick see  
My way of living fast, be on my switchin' lanes shit  
You're sick of all that anguish, cause you know how that game be  
If you ain't speaking that dollar bill, then you ain't speaking that language  
I'm, dancin' with this little devil  
I, condescend when usually I'm on a higher level  
Sip a little Red Bull  
Now we growing wings, she's the girl of my dreams  
I could, give her my last name but that's a bad thing

Maybe that's a bad thing, bad thing /6x
