

Kiara, I Don't Wanna Be Friends

I Don't Wanna Be Friends
i wanna spend my life
and I wanna waste all my time
with you
is that cool with you?
that I don't wanna be friends
I want the highs and lows
everywhere that you go
I am gonna come with you
is that cool with you?
that I wanna be more than friendly
cause a friend would never think like I do
about you

and that
I think that lately
that it's different when I am hanging with you

every day's the same
trying to find a way
to your body
something in the way
I think like I've gotta say this

I Don't Wanna Be Friends
i wanna spend my life
and I wanna waste all my time
with you
is that cool with you?
that I don't wanna be friends
I want the highs and lows
everywhere that you go
I am gonna come with you
is that cool with you?
