

# Kiara, Messy

been sleeping over for the past couple o f weeks  
making a habit out of it  
when I woke up  
I saw toothbrush on the sink  
it kinda scared me, I'll admit

if there's a line  
then I think that we crossed it  
second time you stay that I lost it  
and I should take my own advice

let's stop before it gets messy  
let's stop before it gets heavy  
it's not too late to say you never met me  
let's stop before it gets messy

I try to tell myself that you gotta take It slow  
I always jump in way too fast  
if you wake up and I'm not there  
it's nothing personal  
just got some problems from my past

if there's a line  
then I think that we crossed it  
second time you stay that I lost it  
and I should take my own advice

let's stop before it gets messy  
let's stop before it gets heavy  
it's not too late to say you never met me  
let's stop before it gets messy

messy  
take another look at myself  
before it gets messy

if there's a line  
then I think that we crossed it  
second time you stay that I lost it  
and I should take my own advice

let's stop before it gets messy  
let's stop before it gets heavy  
it's not too late to say you never met me  
let's stop before it gets messy
