

# Kiara, Miss Me

Thought our love would last  
I was down for you, down for you, down for you  
But we won't get back our past  
I was down for you, down for you, down for you

Couldn't see, I was wrong, when you led me on  
(You led me on)  
In the street, tryna creep, but you left me home  
(You left me home)  
You gon' be sorry if I found somebody  
Someone to hold me down and come and touch my body  
I thought you were, I thought you were a real one  
Thought you were a real love

Baby you gon' miss me, miss me, miss me, miss me  
Miss me when I'm gone, miss me when I'm gone  
Baby you gon' miss me, miss me, miss me, miss me  
Miss me when I'm gone, miss me when I'm gone

Boy, don't try to say you're sorry  
Lose my number, don't you try to call me  
Baby you gon' miss me, miss me, miss me, miss me  
Miss me when I'm gone, miss me when I'm gone  
Miss me

Fell in love so fast  
I was down for you, down for you, down for you  
Now that's in the trash  
I was down for you, down for you, down for you

Couldn't see, I was wrong when you led me on  
(When you led me on)  
In the street, you were tryna creep, but you left me home  
(But you left me home)  
You gon' be sorry if I find somebody  
Someone to hold me down and come and touch my body  
I thought you were, I thought you were a real one  
Thought you were a real love

Baby you gon' miss me, miss me, miss me, miss me (Ooh, yeah)  
Miss me when I'm gone, miss me when I'm gone  
Baby you gon' miss me, miss me, miss me, miss me  
Miss me when I'm gone, miss me when I'm gone

Boy, don't try to say you're sorry (You're sorry)  
Lose my number, don't you try to call me (Call me)  
Baby you gon' miss me, miss me, miss me, miss me (Oh)  
Miss me when I'm gone, miss me when I'm gone
