

# Kiki Dee, I've Got The Music In Me

Ain't got no trouble in my life  
No foolish dream to make me cry  
I'm never frightened or worried  
I know I'll always get by  
I heat up I cool down  
When something gets in my way I go round it  
Don't let life get me down  
Gonna take it the way that I found it

I got the music in me

They say that life is a circle  
But that ain't the way that I found it  
Gonna move in a straight line  
Keepin' my feet firmly on the ground  
I heat up I cool down  
I got words in my head so I say them  
Don't let life get me down  
Catcha hold of my blues and just play them

I got the music in me

Feel funky feel good  
Gonna tell you I'm in the neighbourhood  
Gonna fly like a bird on the wing  
Hold on to your hat honey sing sing sing sing  
I heat up I cool down  
I got words in my head so I sing them  
Don't let life get me down  
Catcha hold of my blues and just play them
