

# Kiley Dean, Better Than The Day

Since the day I found you  
Everything has changed  
I'm no more the same  
Because I found love again  
For the first time  
I saw myself in someone else  
I don't know where I would be  
If I hadn't found you

The sun shines brighter now  
Because of you (shines brighter now)  
The clouds are gone away (gone away)  
I see rainbows now every day (rainbows, yeah)  
No more rainy days  
Because you love me  
My life ain't the same  
Who would've thought that  
You'd be better than the day before

Dreams came true  
Cause there's you  
You're my everything  
Never knew this joy until you  
You smiled my way  
You're the beat of my heart  
You're the air I breathe  
Very close are you my baby  
I do love you

It gets sweeter every day (every day)  
You do my love  
I find that  
I want you more each day my love  
What you say to me  
You're just what I prayed for  
Overwhelming is what you are (what you are)  
You're everything and more

The sun shines brighter now (brighter, yeah)  
Because of you  
The clouds are gone away (gone away)  
I see rainbows now every day (rainbows, yeah)  
No more rainy days  
Because you love me (because you do)  
(And I need you, I really do)  
My life ain't the same  
Who would've thought that  
You'd be better than the day before

There's some things  
That I need to say  
I wanted you to know you (you)  
You mean the world to me  
And everything  
I love you (but I love you) more each day  
There's one thing I know  
You make my days better than before

The sun shines brighter now (brighter now)  
Because of you  
The clouds are gone away (gone away)  
I see rainbows now every day (rainbows, yeah)  
No more rainy days (than rainy days)  
Cause you love me

My life ain't the same  
Who would've thought that  
You'd be better than the day before

The sun shines brighter now (the sun shines)  
Because of you (brighter now)  
The clouds are gone away  
(I see rainbows)  
I see rainbows now every day (every day)  
No more rainy days  
Cause you love me, yes you do  
My life ain't the same  
Who would've thought that  
You'd be better than the day before
