Kilgore, Walk

Can't you see I'm easily bothered by persistence? One step from lashing out on you You want in to get under my skin And you call yourself friend I've got more friends like you What do I do?

Is there no standard anymore?
What it takes, who I am, where I've been Belong
You can't be something you're not
Be yourself, by yourself
Stay away from me
A lesson learned in life
Known from the dawn of time

(Chorus)

Respect, walk, what do you say?? Respect, walk, are you talking to me??? Are you talking to me???

Run your mouth when I'm not around It's easy to achieve You tell weak friends that sympathize

Can you hear the violins playing your song? Those same friends tell me your every words

(Chorus)X2

No way punk

(Chorus)X3

Are you talking to me? Walk on home boy
